Course Content

Educational Aspects of the Course

The objectives of the CR Dentistry Update are to provide brief state-of-the-art, pragmatic, easily applied information in many subjects considered pertinent for the calendar year.

(check one)

	Excellent	Good	Fair	Poor	Comments
1. Rate how well the above objectives were met					
2. Usefulness of information					
3. Organization of the course					
4. Usefulness of visual aids					
5. Communication of information by the speaker(s)					
6. OVERALL VALUE OF EDUCATIONAL EXPERIENCE					

Self Assessment

At the completion of this course, you should be able to determine which products and techniques presented in the course meet individual practice needs and incorporate them into practice.

(check one)

	Excellent	Good	Fair	Poor	Comments
1. How confident are you in your ability to incorporate new <i>products</i> into practice?					
2. How confident are you in your ability to incorporate new <i>techniques</i> into practice?					

Topics

1. Which were most useful to you?	
2. Which were least useful to you?	
3. What topics would you like in future CR Dentistry Update courses?	

Other Aspects of the Course

(check one)

	Excellent	Good	Fair	Poor	Comments
1. Geographic location					
2. Time of year					
3. Hotel accommodations					
4. Meeting room					
5. Would you like to return to this venue for a future course?					

Additional Comments: _____

May we use your comments in future advertising/promotional materials? (brochures, flyers, Facebook, etc.)
 Yes No
